Subject: Request for Survey Eligibility of Barangay San Roque, Surigao City for DICT GIDA Project

Dear Director Cuñado,

I am writing on behalf of our barangay, to formally request a survey to determine the eligibility of Barangay San Roque, Surigao City as a recipient for the Geographically Isolated and Disadvantaged Areas (GIDA) project under the Department of Information and Communications Technology (DICT).

Barangay San Roque, located in Surigao City, is a community that faces challenges in terms of digital connectivity and access to high-speed internet services. Given the transformative impact of the DICT GIDA project in bridging the digital divide and enhancing connectivity in remote and underserved areas, we believe that Barangay San Roque could greatly benefit from this initiative.

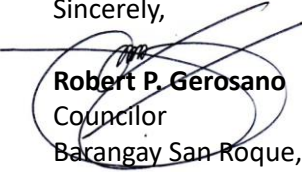

We kindly request the DICT to conduct a thorough survey to assess the readiness and eligibility of Barangay San Roque for inclusion in the GIDA project. This survey will help determine the current digital infrastructure, connectivity needs, and potential impact of implementing the project in our community.

We are committed to supporting and facilitating the survey process to ensure accurate and comprehensive data collection. Our community is eager to participate in initiatives that promote digital inclusivity, enhance economic opportunities, and improve the quality of life for our residents.

We look forward to your favorable consideration of our request and the opportunity to collaborate with the DICT in bringing the benefits of the GIDA project to Barangay San Roque, Surigao City.

Thank you for your attention to this matter. Should you require any further information or clarification, please do not hesitate to contact me at 09207393097 or robertgerosano@yahoo.com.

Sincerely,

Robert P. Gerosano
Councilor

Barangay San Roque, Surigao City
