Greetings from the Department of Information and Communications Technology - Caraga Region!

We acknowledge the receipt of your letter dated 24th April 2024, requesting our office's support for the provision of Free Public WiFi Connectivity at Cantiasay National High School. We value and understand the significance of this initiative in fostering the 21st-century skills of students, particularly in Geographically Isolated and Disadvantaged Areas (GIDAs) within our country.

After a thorough review and assessment of your request, we are pleased to inform you that we fully support the installation of Free Wi-Fi Connectivity at your school. This endeavor aligns with our commitment to advancing digital literacy and bridging the digital divide in underserved communities.

However, it is important to note that we cannot provide a precise timeline for the implementation of this project at this stage. The timeline is contingent upon the availability of funds allocated from our central office. Rest assured, we will keep you updated on any developments regarding the fulfillment of your request.
