Dear **Sir Abrazado**:

Greetings from the Department of Information and Communications Technology - Caraga Region!

We acknowledge the receipt of your letter dated September 18, 2024, requesting our office's support for the installation of Free Public WiFi at Siargao Airport and recognize the importance of internet access to tourists/passengers while waiting for their flight, to stay connected and manage travel plans efficiently.

We are pleased to inform you that we fully support the installation of Free Public Wi-Fi in your area. This endeavour aligns with our commitment to advancing digital literacy and bridging the digital divide in underserved communities.

However, it is important to note that we cannot provide a precise timeline for the implementation of this project at this stage. The timeline is contingent upon the availability of funds allocated from our central office. Rest assured we will keep you updated on any developments regarding the fulfilment of your request.

Should you require further assistance, please contact our Provincial Officer for Surigao Del Norte, **Engr. Ricardo T. Bacolod, Jr.**, at his mobile number **+639488639929**, or email us at surigaodelnorte@dict.gov.ph.

Thank you very much, and we are looking forward to working with you towards a more ICT-empowered Philippines.

Sincerely,
