MARIO P. CUÑADO

REGIONAL DIRECTOR

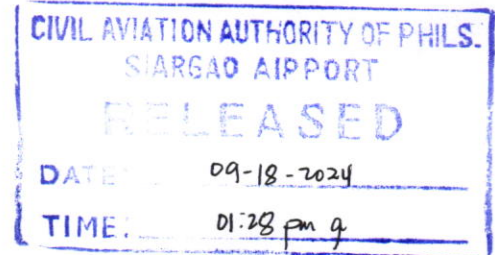

Department of Information and Communication Technology (DICT)

Caraga Region

THRU : ENGR. JUNELITO P. ABRAZADO

Acting CAAM, Area XII

Butuan Airport

Dear RD Cuñado,

Greetings!

I am writing to respectfully request the assistance of the Department of Information and Communications Technology (DICT) in providing free Wi-Fi access at Siargao Airport.

As the Acting Airport Manager, I have observed the increasing number of passengers, particularly tourists, who would greatly benefit from having reliable internet access while waiting for their flights. Siargao has become a globally renowned destination, and the availability of free Wi-Fi will enhance the overall experience of our visitors, allowing them to stay connected with their loved ones and manage their travel plans more efficiently.

The implementation of this service will not only improve passenger satisfaction but also align with the government's initiative to provide free internet access in public places, especially in key travel hubs like airports. We believe that this project will significantly contribute to the development of tourism and the overall progress of the island.

We kindly seek your office's assistance in evaluating this proposal and possibly incorporating Siargao Airport into the list of priority areas for free Wi-Fi deployment.

Thank you very much for your time and consideration. We look forward to a favorable response.

Respectfully yours,

RICHARD Z. ALAS

Acting Airport Manager

Siargao Airport
