Re: Temporary Installation of Starlink Kits for SIMC and Dapa Public Market

Dear **RD MARIO P. CUÑADO**:

Marajaw na adlaw!

At the outset, we would like to thank you for granting our request to install temporary Starlink kits in five (5) municipalities in Siargao Island.

Currently, we have received similar requests from other stakeholders. Recently, we received a request from the Siargao Island Medical Center as their Wi-Fi is currently down and the referral hospital has nothing to use. Similarly, we received a request from the Municipality of Dapa for a unit to be placed in their public market so more people can avail of free wi-fi.

I hope you will be able to grant our request. For SIMC, I am hoping that a permanent unit will eventually be installed in said hospital as it is a necessity for them to be able to serve our constituents efficiently.

Thank you very much.

Very truly yours,

FRANCISCO JOSE "Bingo" F. MATUGAS II, CPA, CESO, LLB
