Dear **Sir Castronuevo**:

Greetings from the Department of Information and Communications Technology - Caraga Region!

We acknowledge the receipt of your letter dated 8th November 2024, requesting our office's support for the installation of additional access points to be placed in the Computer Laboratory to significantly enhance the delivery of lessons by accessing online resources, e-learning platforms and research materials.

After a thorough review and assessment of your request, we are pleased to inform you that we fully support the installation of additional access points to be installed in the computer laboratory. This endeavor aligns with our commitment to advancing digital literacy and bridging the digital divide in underserved communities.

However, it is important to note that we cannot provide a precise timeline for the installation of Free WiFi in the Computer Laboratory. The timeline is contingent upon the availability of funds allocated from our central office. Rest assured, we will keep you updated on any developments regarding the fulfillment of your request.

Should you require further assistance, please contact our Provincial Officer for Surigao Del Norte, **Engr. Ricardo T. Bacolod, Jr.**, at his mobile number **+639488639929**, or email us at surigaodelnorte@dict.gov.ph.
