DICT Surigao del Norte Provincial Field Office
Brgy. Washington, Surigao City

Dear **Director Cunado**:

Environmental Greetings!

This regards our intent to avail of DICT's Free Wi-Fi for All Program because as of present even cellular signal in Siargao is very limited. The location of our office in Del Carmen is a dead spot for cellular signal. The program of DICT would help a lot for our clients and our office's plan to digitalize our transaction for convenience of the general public.

Any feedback on our request can be easily relayed to the undersigned thru my mobile number at 0956-2566928 or email at samphil04@gmail.com.

Anticipating for your kind consideration and approval.

Thank you and more power.

Very truly yours,

SAMUEL L. MALAYAO
DMO IV/PA Superintendent
