MARIO P. CUÑADO

Director IV
DICT Regional Office
Butuan City

Dear Sir,

Subject: Request for Free Wi-Fi Installation at Oguing Navarro Memorial NHS

I hope this letter finds you in good health and prosperity. I am writing on behalf of Oguing Navarro Memorial National High School, located at Purok 5 Brgy. Sayak Del Carmen, Surigao del Norte, to respectfully request the installation of free Wi-Fi access under the DICT's Free Wi-Fi for All Program.

As you know, the advancement of education in the digital age depends greatly on internet connectivity. Our school is committed to providing quality education to our students, and access to a stable and fast internet connection would significantly support our efforts. With internet access, our students and teachers will be able to tap into online resources, access digital learning materials, and participate in virtual training and seminars that are crucial in today's educational curriculum.

However, due to limited resources and funding, many of our students and even faculty members do not have access to stable internet at home or on school and often spend their own money to register for an internet connection. We believe that by providing free Wi-Fi, the DICT can help us bridge this gap and ensure that no student is left behind, especially as we continue to integrate digital tools in the curriculum.

We fully support the goals of the DICT in making internet access more inclusive, and we would be honored to be considered as a beneficiary of this program. We are prepared to comply with any requirements and coordinate with your office to facilitate the installation.

Thank you very much for considering our request. We look forward to a favorable response from your office.

Respectfully yours,

DEXTER L. CONSIGNA
Head Teacher II
