Dear **Sir Digal**:

Greetings from the Department of Information and Communications Technology - Caraga Region!

We acknowledge receipt of your letter dated September 17, 2024, requesting the installation of the Free WiFi for All program and the conduct of a Digital Literacy Training on Creative Content Creation at San Isidro National High School. We recognize the vital role of connectivity in enhancing the quality of education and empowering students.

We are pleased to inform you that your school is already included in our PICS PP Free WiFi for All program. Our provincial Free WiFi engineer will soon conduct onsite coordination and Wi-Fi installation on your school premises.

Additionally, we are happy to confirm that we can accommodate your request for Digital Literacy Training – Creative Content Creation on the first week of October. To ensure a smooth and well-organized event, we will work closely with you to finalize the exact date and make all necessary preparations. Rest assured that our team is committed to delivering a comprehensive and engaging training experience tailored to the needs of your school.

Should you have any further inquiries or clarifications, you may directly coordinate with **Shielamhe M. Laid**, Project Development Officer I, in her mobile number **09700269368** and **Engr. Jay Rico M. Recimo**, Planning Officer II for Free WiFi for All Project in his mobile number **09104686348**, or email us at surigaodelnorte@dict.gov.ph.

Thank you, and we look forward to a successful partnership with you towards an ICT-empowered region.

Sincerely yours,

Digitally signed
