Greetings from the Department of Information and Communications Technology - Caraga Region!

We acknowledge the receipt of your letter dated January 8, 2025, regarding your request for our support in installing an additional Free Public Wi-Fi access point at the Municipal Agriculture Office Building. We understand and greatly appreciate the significance of internet access in enhancing digital capacity and fostering connectivity within the community.

After a thorough review and assessment of your request, we are pleased to convey our full support for the installation of the additional Free Public Wi-Fi access point. This initiative aligns with our shared commitment to promoting digital literacy and reducing the digital divide, particularly in underserved areas.

However, it is important to note that we cannot provide a precise timeline for the implementation of this project at this stage. To help expedite the implementation, we kindly seek your office's assistance in procuring the access point device. Once the device is available, we will be able to proceed with the installation promptly and efficiently.
