

CHECKLIST OF DOCUMENTARY REQUIREMENTS *(prepare in triplicate)*

REIMBURSEMENT OF TRAVELLING EXPENSES (5-02-01-010-00)

1. Checklist of Documentary Requirements (Annex F)
2. Obligation Request Status (ORS-*to be provided by Budget Officer*)
3. Disbursement Voucher
4. Duly Approved Travel Order (Annex B)
5. Duly Approved Itinerary of Travel
6. Letter of Invitation from the host/sponsoring agency/organization
7. Approved Certificate of Travel Completed (Annex E)
8. Certificate of No Claims (Annex A) / Certificate of Appearance (from engaged parties)
9. Bus/E-Plane Ticket/Used Paper Plane Ticket/Terminal Fee/ Boarding Pas
10. OR (of purchase of ticket) from Airlines/Bayad Center/Travel Agency
11. OR/e-OR or Certificate of Expenses Not Requiring Receipts (for expenses amounting to Php 300 or less) or RER (for expenses amounting to more than Php 300 but not exceeding Php 1,000)
Note: Official Receipt issued by non-government organizations must have the TIN no. and BIR authority to print
12. Hotel room/lodging bills with OR in the case of official travel within 50-km radius, if the travel allowances being claimed include hotel room/lodging
13. Terminal Report/Activity Report containing:
 - Highlights of the training activity
 - Pictures (preferably dated)
 - Plan of Action
 - Recommendations
 - Approved by Supervisor
14. Activity Design indicating the budgetary requirement for the activity

ACTIVITY DESIGN

Activity	Philippine National Public Key Infrastructure (PNPKI) Registration Authority (RA) Training for the DICT Caraga Regional Office 13
Date and Time	October 21-25, 2024 8:00AM to 5:00PM
Venue	Kawa Resort, Siargao Island, General Luna, Surigao del Norte

1. Description

PNPKI Registration Authority Training is a technical course designed for agency personnel who intend to gain understanding of the duties and responsibilities of an RA Officer. The participants will be equipped with appropriate tools and shall be oriented on PNPki policies and proper processing of PNPki applications, certificate requests, and certificate revocation. The training is also aimed at providing the participants with sufficient knowledge so that they would be able to provide 1st level technical support for concerns on the use of digital certificates.

2. Background

The PNPki was initiated in 2012 in response to Executive Order 810, series of 2009 ("Institutionalizing the Certification Scheme for Digital Signatures"), Annex 'A', wherein DICT (then NCC) is mandated to operate the Root Certification Authority (CA) and Government CA. The PNPki is also an essential component of the e- Government Master Plan, Annex 'B'. The adoption of PKI aimed to strengthen e- government security through its implementation in all government offices and supply of digital certificates to the citizens.

The use of PNPki digital certificates would allow for paperless transactions and remote approval of signatories in the government thus would reduce red tape, re-engineer the business process therefore shortens the process time and eventually will comply in the implementation of RA 11032-Ease of Doing Business, Annex 'C'.

The Commission on Audit also released COA Circular 2021-006 to prescribe guidance on the use of electronic documents, electronic signatures, and digital signatures for accountability purposes to resolve doubts over the reliability of information to be used as audit evidence, Annex 'D'.

Further, the PNPKI can offer a meaningful contribution to the solution of streamlining of processes in compliance with the target of DICT to be ISO 9001:2015 Quality Management System (QMS).

More to the point, Application and Processing of Digital Certificates for Individuals has been recognized in the DICT Citizen's Charter, Annex 'E', as one of the frontline services of the agency. Identified as persons-in-charge are the Digital Certificate Division Team and PNPKI Registration Officers (RA Officers) in DICT Regional Offices.

To effectively deliver the PNPKI services in a timely and efficient manner, and in anticipation of the increased demand for digital certificates, the Digital Certificate Division (DCD) seeks to increase the manpower for the PNPKI Registration Authority (RA). However, it is important to consider that personnel who shall be performing duties with respect to the PNPKI RA operations should be given comprehensive training. This in accordance with Executive Order 810, series of 2009, and Section 5 of the PNPKI CP & CPS (see Annexes "F" & "G"):

"All personnel performing duties with respect to the operation of the PNPKI CA or RA shall receive comprehensive training in all operational duties they are expected to perform, including good knowledge on the following:

- (a) The PNPKI CA's Certification Practice Statement (Annex "G");*
- (b) The Electronic Commerce Act of 2000 (Annex "H");*
- (c) The Data Privacy Act of 2012 (see Annex "I");*
- (d) The Cybercrime Prevention Act of 2012 (see Annex "J"); and*
- (e) The Rules Governing the Accreditation of CAs for Digital Signature (see Annex "K")."*

Taking this into consideration, a series of PNPKI Registration Authority trainings shall be conducted for the DICT Regional Offices. Part of the PNPKI RA Training is the Psychometric Examination. The purpose of which is to assess the personality traits of trained personnel to see if they qualify as RA officers, in agreement with PNPKI Personnel "Qualifications, Experience and Clearance Requirements" (Section 5.3.1 of the PNPKI CP/ CPS):

"All persons filling trusted roles shall be selected on the basis of loyalty, trustworthiness and integrity."

3. Learning Objectives

At the end of the course, the PNPKI RA participants will be able to understand and perform the following:

- Increase the awareness of agency personnel on PNPKI and give them proper orientation on the laws, policies, and other regulations related to PNPKI;
- Equip DICT regional personnel with tools and knowledge on using digital certificates issued by PNPKI;
- Assess the loyalty, trustworthiness, and integrity of trained agency personnel as basis for qualifying as RA officers;
- Increase the pool of PNPKI RA Officers who will be assisting in RA operations;
- Capacitate designated PNPKI Registration Authority Officers (RAOs) with new policy, procedures/processes and new technology related to PNPKI operations;
- Familiarize the designated PNPKI RAOs with the new processes in the Online Registration System (ORS) and Enhanced Token Management System with Registration Authority (TMSRA).
- Provide knowledge to the PNPKI RAOs on how to utilize the Document Signing of PNPKI; and
- Demonstrate solutions on providing 1st level technical support to PNPKI subscribers.

4. Daily Topics and Activities

DAY	ACTIVITY/ TOPIC
1	• Submission of Application for Digital Certificates • Download and Installation of Course related Software • Introduction to PNPKI • Module - Digital Certificates • Module - Digital Signatures • Module - Email Signing and Encryption • Policy Orientation on E-commerce Act, E.O. 810, Data Privacy Act, • Cybercrime Prevention Act, Certificate Policy/Certificate Practice Statement, and other Issuances related to digital signatures/certificates.

2	- GovRA Operations, RA Functions and Responsibilities, Application Processing, Proper Records Keeping Application via the new ORS portal - Module on Online Registration System - Digital Certificate Application * <i>Training participants must bring application requirements such as ID picture, Phil ID, valid passport, UMID, LTO Driver's License, Postal ID, etc.</i>
3	- Module on P12 Certificate - Hands-on Training (Document Signing and Email Signing/Encryption)
4	1st Level Tech Support - RA FAQ Answered - Post-Assessment & Training Evaluation Optional (subject to availability) - Psychometric Examination

5. Duration

Four (4) Days, 32 hrs. 8:00AM - 5:00PM preferably to include the psychometric examination on the last day and after the completion of training.

6. Methodology

The course is a combination of lectures, interactive discussions, hands- on, live demonstration, etc.

7. Pre-requisites

None

8. Target Audience

DICT personnel nominated by the DICT Regional Director to participate in the training. The target participants shall have a basic understanding on how to use/navigate Windows/Mac Operating System and PDF software applications.

9. No. of Participants

The number of participants is thirty (30) personnel from the DICT Caraga regional office.

10. Completion Requirements

A final grade of 80% is required to complete the course. Certificate of Completion will be awarded to participants who will complete the training, obtain the passing grade thru actual hands-on examination, and pass all the other requirements.

11. Certificate

Each participant will receive a Certificate of Completion equivalent to thirty- two (32) training hours.

12. Resource Requirements

12.1. Training Venue

Preferably with the following amenities:

- Air-conditioned training/conference/function room
- Can accommodate 20-30 Participants in a classroom type setup
- Must have operational and standard audio/video system with two (2) microphones
- With Projector and Projector Screen
- With provision of extension cords/electrical outlets for the devices of the participants
- Broadband Internet Access with a minimum data speed of 50 Mbps
- Fosters creativity and focus away from urban distractions
- Ample space for a mix of technical training formats, from workshops to collaborative interactions among participants
- Encourages team-building and networking through shared outdoor participation
- Promotes a healthy work-life balance with available recreational activities

12.2. Software Requirements

This is a BYOD (Bring Your Own Device) training. The participants are required to bring their own Windows/MacOS laptop.

The following are required to be installed in the trainees' computers:

- Adobe Reader DC
- Microsoft Outlook or Mozilla Thunderbird

- Any Web Browser (Chrome, Firefox, etc.)

13. Psychometric Examination

In addition to the training component of the PNPKI RA, it is recommended that all participants will undertake the Psychometric Examination. The purpose of which is to assess the personality traits of trained personnel to see if they qualify as RA Officers, in agreement with PNPKI Personnel "Qualifications, Experience and Clearance Requirements" (Section 5.3.1 of the PNPKI CP/ CPS).

The design of the training course will include the psychometric examination and it is recommended that the examination date is on the last day of the training proper. However, it can be conducted later subject to the availability of the psychometric tools from a service provider or DICT HRMD. If outsourced, this will be administered by its psychometrician in coordination with the PNPKI Team. The psychometric results will be forwarded to the DCD and shall be coordinated with the DICT psychometrician for a balanced evaluation of results.

Upon evaluation and passing of the Psychometric Examination, a Department Order (DO) will be issued designating personnel as Registration Authority Officers (RAOs) of the PNPKI, in addition to its regular duties and responsibilities.

14. Financial Requirements

Detailed Breakdown of expenses:

Particulars	Specifications	Amount
Training Expenses: - Lease of venue (1 lot)	Inclusions: - Meals (AM & PM Snacks, Breakfast, Lunch and Dinner) for 30 pax (5-days) - Accommodation for 30 pax for (5-days)	200,000.00
Supplies and Materials/ Collaterals: - Printing of Tarpaulin	1,000.00	1,000.00

REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF INFORMATION AND
COMMUNICATIONS TECHNOLOGY

- Registration/ Training Kit (Notebook, Pen, Tote Bag, PNPKI PIN, Mouse)	1,000.00 x 30 pcs	30,000.00
- Event Uniform (Embroidered Logo - Polo Shirt for pax, DICT RO and CO-Resource Person)	975.00 x 30 pcs	29,250.00
Psychometric Assessment Fee (Psychometric Examination)	2,200.00 x 25 pax	55,000.00
Traveling Expenses:		
- Air-fare back and forth (PNPKI Personnel - Manila to Butuan City vv)	20,000.00 x 2 pax	40,000.00
- Incidental/ Per diem (Redeem/claims: 50% include meals and incidental expenses) for Provincial Staff from (Agusan del Sur, Surigao del Sur, Surigao del Norte and Dinagat Islands) and from Central Office	61,925.00	61,925.00
- Contingency Fund	29,050.00	29,050.00
Total		Php446,225.00

All budget requirements will be chargeable on the approved Cybersecurity Bureau's Annual Work and Financial Plan (AWFP) and downloadable to DICT Regional Offices for its implementation. The budget of the DICT Region XIII – Cybersecurity (PNPKI) Unit who will implement the training will be charged to the Cybersecurity – Digital Certificate Division MOOE subject to existing government accounting rules and regulations.

15. Project Management

The PNPKI RA training programs will be implemented by DICT Caraga Regional Office XIII in coordination with the Cybersecurity Bureau - Digital Certificate Division. This includes requests for assistance but not limited to application, registration, validation and verification, issuance and revocation of PNPKI digital certificates. The training team may be composed of Subject Matter Experts (SMEs) and Registration Authority Officers (RAOs) from CSB-DCD and other bureaus/units to assist the PNPKI Team as may be warranted during the training implementations.

Appendix A
DEFINITION OF TERMS

CA	Certification Authority <i>An entity that is responsible for issuing digital certificates.</i>
CP	Certificate Policy <i>A set of rules that indicate the applicability of a certificate to a particular community and/or class of application with common security requirements. For example, a particular CP might indicate applicability of a type of certificate to the authentication of parties engaging in business-to-business transactions for the trading of goods or services within a given price range.</i>
CPS	Certification Practice Statement <i>A statement of the practices that a certification authority employs in issuing, managing, revoking, and renewing or re-keying certificates.</i>
GovR A	Government Registration Authority <i>A government agency recognized as a registration authority.</i>
PNPKI	Philippine National Public Key Infrastructure
RA	Registration Authority <i>An entity that is responsible for one or more of the following functions: the identification and authentication of certificate applicants, the approval or rejection of certificate applications, initiating certificate revocations or suspensions under certain circumstances, processing Subscriber requests to revoke or suspend their certificates, and approving or rejecting requests by Subscribers to renew or re-key their certificates. RAs, however, do not sign or issue certificates (i.e., an RA is delegated certain tasks on behalf of a CA).</i>

POST-ACTIVITY REPORT

Activity Name: PNPKI Registration Authority (RA) Training

Date and Venue: October 21-25, 2024 | Kawa Resort, General Luna, Surigao del Norte

Objectives:

The **Registration Authority (RA) Training** aims to enhance the capabilities of agency personnel, particularly those in the **DICT regional offices**, in handling **Public Key Infrastructure (PNPKI)** operations. This training is designed to equip participants with essential knowledge, tools, and skills to effectively manage **digital certificates**, ensure secure transactions, and uphold the integrity of digital communication. Additionally, it emphasizes compliance with key laws and policies, such as the **E-Commerce Act (RA 8792)** and the **Data Privacy Act (RA 10173)**.

The objectives of this training are as follows:

- Increase the awareness of agency personnel on PNPKI and give them proper orientation on the laws, policies, and other regulations related to PNPKI;
- Equip DICT regional personnel with tools and knowledge on using digital certificates issued by PNPKI;
- Assess the loyalty, trustworthiness, and integrity of trained agency personnel as basis for qualifying as RA officers;
- Increase the pool of PNPKI RA Officers who will be assisting in RA operations;
- Capacitate designated PNPKI Registration Authority Officers (RAOs) with new policy, procedures/processes and new technology related to PNPKI operations;
- Familiarize the designated PNPKI RAOs with the new processes in the Online Registration System (ORS) and Enhanced Token Management System with Registration Authority (TMSRA).
- Provide knowledge to the PNPKI RAOs on how to utilize the Document Signing of PNPKI; and
- Demonstrate solutions on providing 1st level technical support to PNPKI subscribers.

General Scenario/Highlights:

The five-day PNPKI RA Training, held by DICT Caraga, aimed to equip participants with critical skills in managing digital certificates and cybersecurity operations. Key highlights included:

- **Day 1:** Opening program with introductions, orientation on cybersecurity, and installation of essential applications.
- **Day 2:** In-depth sessions on cybersecurity laws (RA 8792, RA 10173) and hands-on training in digital certificates and encryption.
- **Day 3:** Training on Certificate Policies, GovRA operations, and ORS portal applications.
- **Day 4:** Advanced training on TMS-RA processes, records management, and a practical exam, followed by certificate issuance.
- **Day 5:** Participants enjoyed a relaxing island tour before departing.

The training provided participants with the tools and knowledge to effectively perform as Registration Authority Officers (RAOs), enhancing the region's digital security capabilities.

Recommendations:

1. **Regular Feedback and Assessments:**

Conduct periodic assessments throughout the training, including quizzes and feedback sessions. This will allow both trainers and participants to gauge progress and identify areas needing improvement before the final evaluation.

2. **Evaluation and Continuous Improvement:**

Gather feedback at the end of the training to evaluate its effectiveness and identify areas for future improvements. This will help ensure the training remains relevant and useful in addressing emerging challenges.

3. **Access to Study Materials and Online Resources:**

Provide participants with study materials in both physical and digital formats. Ensure Wi-Fi access is reliable in both the training venue and accommodation, so participants can review materials and access any required online tools or resources.

4. **Social and Networking Opportunities:**

Organize informal networking sessions or social activities during the evenings, allowing participants to connect with each other and share their experiences. This helps build a collaborative learning environment and professional relationships among RAOs.

5. **Post-Training Support and Mentorship:**

After the training, offer continued support through an online portal, where participants can access further resources, connect with mentors, and ask questions. This ensures participants have the necessary guidance when they start implementing what they've learned.

6. **Evaluation and Feedback:**

Provide a feedback form at the end of the training to evaluate participants' satisfaction with the accommodation, meals, transportation, and the overall training experience. Use this feedback to continuously improve future training programs.

These recommendations ensure that RAO participants are well-prepared, skilled, and confident in their roles while continuously improving the training program for future sessions.
