

List of ICT Equipment, Goods, Support Services and Consulting Services

Information and Communications Technology or ICT - the totality of electronic means to access, create, collect, store, process, receive, transmit, present and disseminate information.¹ This includes interface between and among various telephony, radio, video, broadcasting and multimedia infrastructure, devices and services, enabling users or subscribers thereof to communicate with one another, services that require the intrinsic use of Id’s including engineering or architectural design, informatics service providers, offshoring and outsourcing service providers such as call centers, back office processing, software development, medical or legal transcription, animation, game development, and other services that require the intrinsic use of a networked information infrastructure.

Below is the sample List of ICT Equipment, Goods, Support Services and Consulting Services:

1. Computer Systems

- a. Central Processing Unit
- b. Desktop PCs
- c. Portable/Laptop Computer
- d. Tablet PC/Handheld and Pocket PC/Personal Digital Assistant/Smart Phone
- e. Server/Workstation/Minicomputer
- f. Mainframe

2. Peripherals

- a. Digital Camera (CDD Camera)
- b. Film Processor
- c. Hardware Lock
- d. Monitor
- e. VGA Cards/Boards

3. Storage Devices

- a. CD Recorder
- b. CD Tower
- c. CD Writer
- d. CD-ROM Drive/Disk
- e. Compact Flash Card
- f. Computer Tape/Cartridge
- g. Floppy Drive
- h. Hard Disk Drive (Internal/External/Portable)
- i. JAZ Drive

¹ Republic Act No. 10844 otherwise known as the “Department of Information And Communications Technology Act of 2015”

- j. Magneto-Optical Disk Drive
- k. Memory Stick (Standard, PRO, Duo, PRO Duo, PRO-HG Duo, Micro (M2))
- l. Multimedia Card (MMC)
- m. Removable Storage Disk
- n. SCSI Drive Module
- o. Secure Digital Card (SD, miniSD, microSD, SDHC, miniSDHC, SDXC, microSDXC)
- p. SmartMedia Card
- q. Solid State Drive (SSD)
- r. Tape Backup/Tape Drive
- s. Zip Drive
- t. Storage Area Network (SAN)/Network Attached Storage (NAS)
- u. USB Flash Drive

4. Printers

- a. Band Printer
- b. Barcode/POS Printer
- c. Billboard Printer
- d. Design Jet Printer
- e. Digital Copy Printer
- f. Dot Matrix Printer
- g. Film Printer
- h. Impact Printer
- i. Ink Jet/Bubble Jet Printer
- j. Large Format Printer
- k. Laser Printer
- l. LED Printer
- m. Line Printer
- n. Passbook Printer
- o. Plotter
- p. POS Printer
- q. Poster Printer
- r. Printer Server
- s. Serial Printer
- t. Signmaker Printer
- u. Sticker Marker Printer
- v. Thermal Printer

5. Cards

- a. Controller Card
- b. Enhancement Card
- c. Expansion Card
- d. Video/Graphics Card

6. Multimedia

- a. Headphone/Earphone
- b. Multimedia Kit
- c. Multimedia Projector System
- d. Multimedia Speaker System
- e. Multimedia Storage System
- f. Other Multimedia Products

7. Input/Output Device

- a. Barcode Reader
- b. CCTV/Video Camera
- c. Digital Copier
- d. Digitizer
- e. Facial Scanner
- f. Fingerprint Scanner
- g. Image Scanner
- h. Iris Scanner
- i. Keyboard
- j. Light Pen
- k. Microphone
- l. MIDI Keyboard/Other Digital Musical Instruments
- m. Motion Sensor
- n. Mouse
- o. Palm Scanner
- p. RFID Reader
- q. 3D Scanner
- r. Touch Screen
- s. Web Camera

8. Power Protection System

- a. Automatic Voltage Regulator
- b. Battery Charger
- c. Emergency Power Unit
- d. Programmable/Portable Data Collector
- e. Surge Protector/Suppressor
- f. Uninterruptible Power Supply System

9. System Memory Boards

- a. Math coprocessor
- b. Memory Card
- c. Memory Module
- d. Memory Upgrades
- e. SIMM/DIMM RAM
- f. SDRAM/RDRAM/DDR3/DDR SDRAM

10. Data Communications and Networking Equipment

- a. Adapters
- b. Bridges
- c. Echo Canceller
- d. Fax Machines
- e. Fax Modem/Card
- f. Microwave Repeater System
- g. Modem
- h. Multimedia Messaging System
- i. Multiplexers
- j. Network Desktop
- k. Network Interface Cards
- l. Network PC Cards
- m. Network Servers
- n. Network Tools
- o. PABX/Telephone System/Cellular Phones

- p. Paging Systems
- q. PC Telex Interface Cards
- r. Remote Access Server
- s. Routers
- t. Repeater
- u. Signaling Converter
- v. Structured Cabling
- w. Switches and Hubs
- x. Switching System
- y. Telephone Adaptor
- z. Telephone Remote Control Power Controller
- aa. Test and Measurement System
- bb. Transceiver
- cc. Trunked Mobile Radio
- dd. Video Conferencing System/Kit
- ee. Voice Mail/Voice Messaging System
- ff. Wires and Cabling System

11. ICT Support Services

- a. Application Service Subscription
- b. Cloud computing Services
- c. Computer Facilities Management
- d. Computer Hardware Servicing, Repair and Maintenance
- e. Contact Center Services
- f. Contingency Planning and Disaster Recovery Support Services
- g. Data Conversion/Encoding
- h. Data Processing Services
- i. Hardware, Software and Network Evaluation
- j. Hosting and ICT Infrastructure Provisioning Services (IaaS)
- k. ICT Backup Storage Services
- l. Infrastructure as a service (IaaS)
- m. Internet Service Provider
- n. Multimedia and Graphics Design
- o. Network Penetration Testing
- p. Platform-as-a-Service (PaaS)
- q. PKI Subscription Services
- r. Risk/Vulnerability Assessment
- s. Software-as-a-Service (SaaS)
- t. Telecommunication Infrastructure Design, Installation and Testing
- u. Total ICT Systems Solution Integration

12. ICT Consulting Services

- a. Application Programming
- b. Application Source Code review
- c. Application Systems Customization and Maintenance
- d. Applications Systems Design and Development
- e. Business Continuity Planning
- f. Business Process Management (BPM)
- g. Business Process Reengineering (BPR)
- h. Change Management Plan Design
- i. Communication Plan Design
- j. E-Governance Audit
- k. Enterprise Architecture Formulation

- l. Formulation of Terms of Reference
- m. ICT Capacity Planning
- n. ICT Competency Plan Development
- o. ICT Contract Management
- p. ICT Course Design and Development
- q. ICT Infrastructure and Network Management Services
- r. ICT Infrastructure Library Management
- s. ICT Management Auditing
- t. ICT Organizational Design
- u. ICT Policy and Standards Design
- v. ICT Procurement Management
 - Bid Administration
 - Bid Engineering Services
 - Bid Evaluation Management
- w. ICT Project Feasibility Study
- x. ICT Project Management
- y. ICT Quality Management System Assessment
- z. ICT Recruitment and Placement
- aa. ICT Security Audit
- bb. ICT Solutions Engineering
- cc. ICT Training Needs Analysis
- dd. Information System Auditing
- ee. Information Systems Strategic Plan Evaluation
- ff. Information Systems Strategic Plan Formulation
- gg. Network Systems Design, Development, Installation and Testing
- hh. Organizational Knowledge Design and Development
- ii. Request for Proposal Formulation (RFP)
- jj. Risk Assessment and Evaluation
- kk. Website Design
- ll. Web Hosting
- mm. Web-Based Programming
